<u>Purpose</u>: To provide Local Workforce Development Boards (LWDBs) Chief Elected Officials (CEOs) and American Job Center of Nevada (One-Stop Career Center Operators) with the Workforce Innovation and Opportunity Act (WIOA) requirements for the Local Plan.

<u>State Imposed Requirements</u>: This directive contains some state-imposed requirements. These requirements are printed in **bold**, *italic type*.

<u>Authorities/References:</u> Workforce Innovation and Opportunity Act P.L. 113-128; 20 CFR §679.500-580

ACTION REQUIRED:

Upon issuance bring this guidance to the attention of all WIOA service providers, LWDB members and any other concerned parties. Any LWDB's policies, procedures, and or contracts affected by this guidance are required to be updated accordingly.

Background:

The local plan is the primary vehicle for communicating the LWDB's vision for the local workforce system and aligning and integrating local service delivery across Federal programs in a region to foster better alignment of Federal investments in job training, integrate service delivery across programs, and ensure that the workforce system is job-driven and matches employers with skilled individuals.

The LWDB, in partnership with the chief elected official for the local area involved, shall develop and submit a local plan to the Governor that meets the requirements in WIOA sec. 108. Since the local plan is only as effective as the partnerships that operationalize it, it must represent a collaborative process among local elected officials, boards, and required and other partners, including economic development, education, and private sector partners to create a shared understanding of the local area's workforce investment needs, a shared vision of how the workforce investment system can be designed to meet those needs, and agreement on the key strategies to realize this vision.

The local plan shall support the strategy described in the State plan in accordance with WIOA sec. 102(b)(1)(E), and otherwise be consistent with the State plan. The local plan serves as a 4-year action plan to develop, align, and integrate the region and local area's job-driven workforce development systems, and provides the platform to achieve the local area's visions and strategic and operational goals.

Local Board and appropriate CEOs must review the local plan every 2 years and submit a modification as needed, based on significant changes in labor market and economic conditions and other factors including changes to local economic conditions, changes in the financing available to support WIOA title I and partner-provided WIOA services, changes to the Local Board structure, or a need to revise strategies to meet performance goals.

The local plan is subject to the Sunshine Provisions of WIOA sec. 107(e) as to the public comment process.

Policy and Procedure:
