

GOWINN

GOVERNOR'S OFFICE OF WORKFORCE INNOVATION

UPDATES FOR THE GOVERNOR'S WORKFORCE DEVELOPMENT BOARD

June 2023

NPWR Department of Labor Grant

- \$2.9 million Department of Labor grant
 - Submitted on May 10
 - Expected to receive application status by July
- Project goals include:
 1. Develop, expand, and modernize the collection of data around supportive services from nonprofits, wraparound public goods, credentials of value and industry recognized credentials, and apprenticeships
 2. Strengthen partnerships with UNLV and UNR to provide data analysis, publish academic reports and scorecards, and provide policy recommendations; expand on inaugural NPWR research grants
 3. Democratize data through building and implementing four dashboards that improve the quality of workforce data

NPWR
Climb Higher

Partnership to Advance Youth Apprenticeship (PAYA) Policy Academy Grant

- \$50,000 NGA Center for Best Practices grant
 - Submitted June 9
 - Expected to receive application status by July
- Project goals include:
 1. Assessing the current youth apprenticeship framework in the State and develop a unified statewide vision
 2. Utilize NPWR to show trends in current education and workforce data and identify new metrics for tracking program outcomes and effectiveness
 3. Establish a statewide youth apprenticeship governance structure and develop a resource hub for students, parents, employers, training providers, labor, education, and government partners
