

Policy Summary

State Compliance Policy (SCP) 1.10

As part of its' responsibility to provide guidance and direction to the Local Workforce Development Boards (LWDBs), the Department of Employment, Training and Rehabilitation (DETR) follows federal guidance in creating policy to implement the Workforce Innovation and Opportunity Act (WIOA). These policies are necessary for efficient and stable operations of the workforce system in the State of Nevada. As such, DETR has provided SCP 1.10 to the Governor's Executive Committee for review and approval of non-substantive changes.

This policy provides guidance in accordance with WIOA Sec. 134, outlining the requirements for coordination of training funds with other financial assistance programs. The previous version was based on the Workforce Investment Act (WIA). WIA Law verbiage has been replaced with WIOA verbiage. TEGL 19-16 was added as a reference, as it was not in the original policy, new since 2005. This policy is being revised for non-substantive changes and to provide clear and concise guidance for the Local Workforce Development Boards (LWDBs) as well as the Governor's Workforce Development Board (GWDB). The revision updates the formatting and reflects the originating office's new name, Workforce Innovation Support Services.
