

Policy Summary

State Compliance Policy (SCP) 1.18

As part of its' responsibility to provide guidance and direction to the Local Workforce Development Boards (LWDBs), the Department of Employment, Training and Rehabilitation (DETR) follows federal guidance in creating policy to implement the Workforce Innovation and Opportunity Act (WIOA). These policies are necessary for efficient and stable operations of the workforce system in the State of Nevada. As such, DETR has provided SCP 1.18 to the Governor's Executive Committee for review and approval of non-substantive changes.

This policy provides guidance to LWDBs, Chief Elected Officials and American Job Centers of Nevada (One-Stop Career Center Operators) with the WIOA requirements for priority of service to veterans. This policy is being revised for non-substantive changes, that include updates to guidance issued from the Employment and Training Administration to provide clear and concise guidance. TEGL 3-15 was rescinded by TEGL 19-16. TEGL 22-04, Change 1 was added to the policy, as this added Change clarifies spouse eligibility of a veteran. The revision updates the formatting and reflects the originating office's new name, Workforce Innovation Support Services.
