

Nevada Business Champions

Summer Webinar Series

A learning series for HR professionals and Nevada executives to build a foundational understanding of how child care impacts our workforce and employer-driven solutions that create a return on investment.

*Note: These webinars do NOT count towards SHRM or HRCI recertification at this time.

SUMMER WEBINARS

All virtual events are scheduled 12:30-1:30p

MAY
28

Child Care Landscape in Nevada

Explore how child care accessibility and affordability in Nevada impact your current and potential workforce.

JUN
25

The Economic Impact of Child Care on Business

Examine the lack of child care effects on productivity, recruiting, your bottom line and the overall Nevada economy.

JUL
24

Modern Child Care: A Broken Business Model

Answering the big questions. Why is there a lack of child care? Why is it so expensive? Why do the normal laws of supply and demand fail in this industry?

AUG
28

Workforce Solutions

In this final session, we will connect the "why" to the "how". Join us as we discuss innovative strategies employers can take to support family-friendly practices and Nevada's child care system.
