

# Nevada VR PY2023 Q4

- # 01** Summer Youth Internship Program (SYIP)  
Beginning on 6/15/24, VR will be offering its 8<sup>th</sup> year of our Summer Youth Internship Program. This year we will sponsor 77 young adults in their first paid work experience.
- # 02** Pre-ETS Summer Camps  
VR is proud to support over 240 students and youth with disabilities in 27 experiential Pre-Employment Transition Services summer camps across the state.

- # 03** Employer Engagement Awards  
In the last quarter the VR Employer Engagement Team has given out 2 Awards to employers who have lived the example of inclusion by being exemplary employers of people with disabilities. We recognized North Bay Industries in Carson City and Spacecraft Components in Las Vegas.

- #04** Employers contacted  
In the last SFY, our Employer Engagement Team has contacted 624 Nevada employers. We have held meetings with 85, and conducted 57 outreach events and employer tours.

- # 05** Disability Innovation Funds Grant  
On September 11, 2023, VR learned that along with 8 other partners, we were awarded almost \$10 million in federal Disability Innovation Grant Funds to create seamless transition for students with disabilities in Nevada. VR is developing the comprehensive website called Nevada TRIP to create a transition roadmap for students between the ages of 10-224.
