

TRAIN-TO-HIRE PROGRAMS

Accelerated Professional Training in Healthcare, Skilled Trades, and Other High-Demand Careers

Goodwill of Southern Nevada Training SprintsSM prepare underserved populations for career paths at the speed required to meet the hiring needs of our employer partners.

MEDICAL ASSISTANT

This three-month program trains candidates who have a caring disposition, customer service orientation, and an interest in a professional healthcare career. Graduates qualify for a paid externship while they earn their Certified Clinical Medical Assistant certificate.

CERTIFIED NURSING ASSISTANT

This weeklong bootcamp led by NV Hope features an overview of healthcare careers, exposure to local healthcare leaders and hiring professionals, motivational speakers, experience in the simulation lab at UNLV, and professional career preparation. The next steps for these participants are formal CNA training, passing the licensing exam, and employment.

STAGEHAND

This two-week program opens the door to careers preparing stadiums, arenas, and other venues for sports, music, and entertainment events. The two-week course includes OSHA 10 certification and instruction on installing and moving seating, stages, furniture, and equipment. Program participants are routinely hired on the spot for employment opportunities throughout the Las Vegas Valley.
