## **Policy Summary**

## SCP 3.10

## **Program Income**

As part of its' responsibility to provide guidance and direction to the Local Workforce Development Boards (LWDBs), the Department of Employment, Training and Rehabilitation (DETR) follows federal guidance in creating policy to implement the Workforce Innovation and Opportunity Act (WIOA). These policies are necessary for efficient and stable operations of the workforce system in the State of Nevada. The Local Workforce Development Boards (LWDBs) have reviewed this policy, and it has been posted for public comment with no comments received. As such, DETR has provided SCP 3.10 to the Governor's Executive Committee for review and approval.

This policy provides guidance to the Local Workforce Development Boards (LWDBs) on income generated with the use of funds awarded through programs by DETR. This policy is being revised to update the Workforce Investment Act (WIA) references to WIOA as well as update the format of the document. Figures have been added to provide clarity and examples of the ways program income can be applied. Additional resources from the ETA, that have since been published, are now referenced to provide additional clarity on the ETA-9130. Since 2005 new Training and Employment Guidance Letters (TEGLs) have been published by the Department of Labor and have been included in this revision.
