

## **Policy Summary**

### **SCP 3.12**

#### **Recovery of Tuition and Training Refunds**

As part of its' responsibility to provide guidance and direction to the Local Workforce Development Boards (LWDBs), the Department of Employment, Training and Rehabilitation (DETR) follows federal guidance in creating policy to implement the Workforce Innovation and Opportunity Act (WIOA). These policies are necessary for efficient and stable operations of the workforce system in the State of Nevada. The Local Workforce Development Boards (LWDBs) have reviewed this policy, and it has been posted for public comment with no comments received. As such, DETR is now providing SCP 3.12 to the Governor's Executive Committee for review and approval.

This policy provides guidance and establishes the procedures for the LWDBs regarding the recovery of WIOA tuition and training funds. This policy applies to all subrecipients and service providers. This policy is being revised to update the Workforce Investment Act (WIA) references to WIOA as well as update the format of the document. References found in 2 CFR and 20 CFR have been added, that were not included previously.
