

Policy Summary

SCP 3.8

Transfer of Funds Between Programs

As part of its' responsibility to provide guidance and direction to the Local Workforce Development Boards (LWDBs), the Department of Employment, Training and Rehabilitation (DETR) follows federal guidance in creating policy to implement the Workforce Innovation and Opportunity Act (WIOA). These policies are necessary for efficient and stable operations of the workforce system in the State of Nevada. The Local Workforce Development Boards (LWDBs) have reviewed this policy, and it has been posted for public comment with no comments received. As such, DETR has provided SCP 3.8 to the Governor's Executive Committee for review and approval.

This policy provides guidance to the Local Workforce Development Boards (LWDBs) with the requirements to transfer funds between the Workforce Innovation and Opportunity Act (WIOA) Adult and Dislocated Worker (DW) programs. This policy is being revised to update the Workforce Investment Act (WIA) references to WIOA as well as update the format of the document. Additional verbiage has been added to clarify and show more in depth the process the boards are already using. Since 2009 additional Training and Employment Guidance Letters (TEGLs) have been published by the Department of Labor, concerning the transfer of funds, and they have been included in this revision.
